

To: Chairperson and Club Secretary of Oxfordshire Badminton League Clubs

Oxfordshire Badminton League Bursaries

At the 2023 AGM there was discussion about once again providing bursaries to help clubs. All clubs playing within OBL are invited to apply for a bursary.

The bursary must be used to support badminton in your club and, as a consequence, within Oxfordshire. It is envisaged that bursaries could contribute towards the cost of coaching (training coaches and/or the provision of coaching sessions to your club members) or to assist with promoting and enhancing the badminton experience at your club for the benefit of your members.

Details are required of how much a club would like to receive from OBL and how the bursary has/will be spent. We would like to know what contribution the club has/will be making, if funding has been or will be requested from any other source and, if applicable, what contribution the person doing coaching training is making. Evidence of the costs incurred/anticipated to be incurred will be required. Even if your club has previously received a bursary, please do consider applying as the previous allocation of funds is just one of the factors that will be considered.

Please forward your application by 31 March 2024 (using the form below) to secretary@oxfordshirebadmintonleague.co.uk.

Applications will be discussed at the next Committee meeting and decisions made on which applications will be met (in whole or in part) so that clubs may be notified of successful applications and payments made to those clubs.
